Tour and Activity Time

Teacher-led tour through the Exhibition, a 25,000-square-foot Exhibition featuring more than 350 artifacts recovered from the *Titanic* wreck site. Students will learn from artifacts, didactics, and interactive experiences. Staff artifact specialists are available at the Exhibition to engage groups and answer student questions. The Exhibition features the largest piece of *Titanic* ever recovered—a 15-ton piece of the Ship's hull—and a full-scale re-creation of the Grand Staircase. Teacher curriculum guides and resources are available through TITANIC: The Artifact Exhibition. <https://www.titaniclasvegas.com/>
